

Dear City Farm SLO Supporters:

YOU'RE INVITED TO JOIN OUR 2017 SUMMER / FALL CSA PROGRAM

After heavy flooding this past winter things are heating up at City Farm SLO. The rains brought up an abundance of crops for all of our tenant farmers this summer and fall, so as a result we would like to again offer our fresh produce direct to the community by continuing our CSA program into its second year. As most of you are aware, CSAs connect farmers and community members to the local food system. By subscribing to a CSA you are helping farmers prepare financially for the next growing season while in exchange, enjoying the "fruits of their labor" from this season.

We're looking forward to our 2017 Summer-Fall CSA out at the farm and with a bumper crop season we would like to increase our membership from 15 to 20+ this year. Thank you to all of our members from our inaugural season please join us again. We do need a minimum of 10 shareholders to ensure the program's success, so please share this opportunity with your friends and family. Sign up today and we'll see you out at City Farm SLO!
